WANTED

Eyescale

Software Engineers (C++)

Eyescale, a startup company focused on 3D visualization and parallel applications, is looking for junior and senior software engineers in Neuchâtel. We like to talk to you if you have verifiable experience in at least one of the following areas:

- C++, OOP
- OpenGL
- Parallel Programming
- Distributed Architectures

For further information please refer to our websites www.eyescale.ch and www.equalizergraphics.com.

If you are interested, please send your resume to jobs@eyescale.ch or give us a call at +41 76 33 77 247.
